

AUTUMN/WINTER 2018

DINING MENU

Our Autumn & Winter Dining Menu has been created by our talented chefs to showcase the best of this season's produce with a focus on provenance and sustainability of ingredients.

Trinity Hall has a sustainability policy for food served in college; serving only free range pork, chicken and eggs.

We aim to only serve fish which is rated 'Fish to Eat' by the Marine Conservation Society.

We also serve only Fairtrade tea and coffee.

We place a great emphasis not only on the quality of our food but also the quality of service and the warm and welcoming atmosphere provided by our front of house team.

We ask that all guests dine from the same menu and enjoy the same starter, main course and dessert, apart from those with particular dietary requirements whom we will be pleased to cater for when given advance notice ahead of your event.

We also offer a wine matching service to compliment your choice of menu and enhance the flavours of your meal.

Our historic surroundings and beautiful gardens, combined with our seasonal menus and outstanding service, provide an exceptional dining experience like no other.
